EPOXY FLOORS

BOLD ELEGANCE

This stunning floor combines coffee and black metallics in a 50/50 ratio, creating a rich, elegant look perfect for any upscale space. The seamless blend of dark tones adds depth and sophistication to any room.

SLEEK MODERNITY

A perfect harmony of silver and black metallics, mixed in a 50/50 ratio. This floor showcases a sleek, modern aesthetic, ideal for contemporary spaces seeking a touch of class and style.

TIMELESS CHIC

Featuring a silver base coat with subtle white highlights, this floor exudes timeless chic. The light and airy blend offers a sophisticated, yet understated look, making it versatile for various settings.

WARM LUXURY

This floor combines a soft tan base with burnt caramel highlights to create a warm and inviting atmosphere. The blend of earthy tones adds a luxurious feel, perfect for creating a cozy, yet elegant environment.

ASPHALT REPAIR

SMOOTH AND DURABLE

After our professional asphalt repair, the surface is transformed into a smooth, durable, and visually appealing pavement. The repaired asphalt not only enhances the overall look but also ensures long-lasting performance and safety.

TEXTURE DECK

LIGHT GRAY ELEGANCE

This project features a white base coat with a light gray pigment stain, topped with gray texture deck. The result is a subtle, elegant finish perfect for modern outdoor spaces.

BOLD BORDER CONTRAST

Utilizing a gray texture coat for the main area and a black texture coat for the border, this deck design creates a striking contrast. The bold edges highlight the space beautifully, making it stand out.

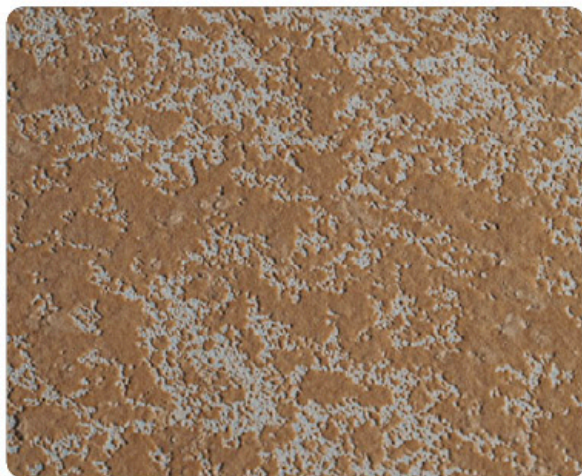

CLASSIC DARK GRAY

With a dark gray concrete overlay base coat and a gray texture coat, this deck offers a timeless and sophisticated look. The darker tones add depth and durability, perfect for any high-traffic outdoor area.

CONCRETE COUNTERTOPS

CLASSIC CONCRETE OVERLAY

This standard concrete overlay countertop highlights the natural beauty and texture of concrete. With no additional stain, it provides a raw and organic look, perfect for those who appreciate minimalist design.

DARK GRAY ELEGANCE

Featuring a sophisticated dark gray stain, this countertop adds depth and a sleek, modern touch to the concrete surface. The rich gray tone enhances the overall aesthetic, making it a stunning centerpiece in any kitchen or bathroom.

RUSTIC BLACK FINISH

This countertop boasts a unique black stain applied with a rag and meticulously rubbed in. The result is a rustic and textured look that highlights the character of the concrete, adding an element of industrial chic to your space.

CONCRETE REPAIR

SMOOTH AND DURABLE

Witness the remarkable transformation of a damaged concrete surface into a smooth, flawless finish. Our comprehensive concrete repair process not only restores structural integrity but also enhances the aesthetic appeal, ensuring a durable and visually pleasing result that stands the test of time. Perfect for revitalizing patios, driveways, and any other concrete surfaces in need of repair.

FLAKE FLOORS

CARAMEL FUSION

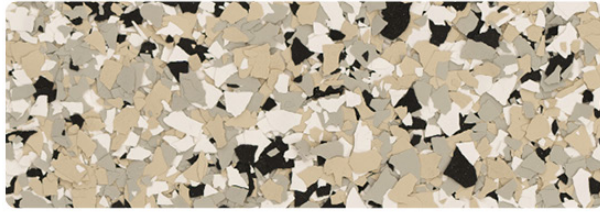

This stunning flake floor features our Leggari River Bed flakes, creating a natural, earthy aesthetic. Ideal for garages, basements, or any space where you want a unique, durable, and visually appealing floor.

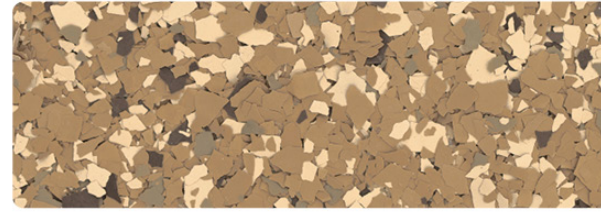

KODIAK FLAKES & STEALTH FLAKES

Combine the boldness of Kodiak flakes with the subtlety of Stealth flakes to achieve a striking and resilient floor. This blend offers a modern look that hides dirt well, making it perfect for high-traffic areas.
